RE: Construction Work Days in Coosaw Point

To Builder Guild Members,

An important goal of our ARB is to proactively manage stakeholder relationships for the betterment of the community.

The attached schedule is published to show the permissible, holiday, work days within Coosaw Point for calendar years 2023 /2024. Residential construction work on restricted holidays or **any** Sunday is a violation of Coosaw Point's ARB guidelines.

Builders are responsible for the compliance of their staff, vendors and subcontractors. Violations will result in a \$500 fine for each incident.

Feel free to contact us with any questions or to report a violation to CoosawPointARB@gmail.com. This schedule will be published on the Coosaw Point website for future reference.

Best Regards,

Marc Gustafson, ARB Chairman
